

Walker/Wheelchair Bag

Fabric Needed

Large Bag (Adult)	2	20" wide x 30" long (1 bag + 1 lining)
Smaller Bag (Youth)	2	17" wide x 27" long (1 bag + 1 lining)
Both	4 straps:	5" wide by 23" long (same fabric as bag)

(optional pocket on inside or outside of bag)

Directions

Fold bag piece in half and stitch $\frac{1}{2}$ inch seam on both sides.

Repeat with lining. Leave $3\frac{1}{2}$ to 4 inch opening on one side for turning.

Fold corners of bag bottom such that point is even with side seam creating a triangle with $2\frac{1}{2}$ inch base. Mark and sew.

Repeat for lining.

Turn lining right side out and place inside bag. Right sides will be together. Stitch around top. ($\frac{1}{2}$ inch)

Turn bag right side out through side seam opening.
Press around top and topstitch.

Machine stitch side opening closed $\frac{1}{2}$ inch from edge.

Push lining into bag.

Fold each strap in half lengthwise and stitch, leaving one short end open for turning. Trim corners, turn, and press. Turn open end under and press. This unsewn edge will be attached to bag.

Place folded unsewn bottom of strap on outside of bag $2\frac{1}{2}$ inches from side and 1 inch down. Stitch a rectangle to attach. Repeat for other three straps.
